

Public Notice

In light of the continuing and growing COVID-19 threat to the health of our citizens, Greeley County will be implementing policy that will help protect our employees, while still meeting our commitment to serve the public.

Per CDC and NHD recommendations: Effective March 18, 2020 and until further notice The Greeley County Courthouse will be closed to the public.

While this is inconvenient for all of us, it is necessary to help prevent the spread of COVID-19. We appreciate your understanding as we take this action.

You may conduct business by mail, phone, email and fax as well as by leaving your documents in the drop box, located outside the east courthouse door. The box will be checked each day, after 4:00 p.m.
